Due to the restrictions of Covid-19, our 2021 SODA dinner will not happen. **HOWEVER**, Samuha's **NEED** is now **GREATER** than ever. Incomes are greatly decreased for families already living in poverty. There is no government support for rehabilitation and without the services made possible by your donations, *"clients lead life in the corner of the house with increased mental stress. Survival is also an issue."* Families are hungry & in dire need.

We invite you to once again participate virtually through donations and an online silent auktion. We will also be sharing a video featuring Samuha's work in India, narrated by Hilary Crowley on the evening of October 23rd.

THE ONLINE AUCTION LINK WILL BE SENT ON

OCTOBER 17th & WILL BE VALID UNTIL OCTOBER 23rd AT 9PM.

Please mark the date and keep a lookout in your inbox!

TAX RECEIPTS GIVEN FOR ALL DONATIONS (no receipts for silent auktion)

100% OF THE FUNDS RAISED GO TO THE ASSISTANCE OF PERSONS
